

**EMERGENCY TELECOMMUNICATIONS**

The intent of this list is to provide school districts with guidance on the necessary equipment needs to cover the state standards for an Emergency Telecommunications program. This recommended list is based on a classroom size of 25 students. All costs are estimated, and should be adjusted and verified with current quotes. No specific vendor or brand names are listed or endorsed. Consumable supplies are not part of this list.

QTY	ITEM DESCRIPTION	UNIT	TOTAL
